Clinical Experience

I myself had been the only gynecologic surgeon in Manjil city of Gilan province since 1380-1383.

Besides clinical experience we hold monthly conferences in different fields in hospital.

After finishing fellowship course in addition working in my office I have worked in Kamaly hospital in Karaj city (related to Iran medical science university) in order to establish infertility clinic and laparoscopic operation.

Also I have association with editorial group of ACTA MEDICA IRANICA journal (related to Tehran medical science university) for paper judgment.

I was a member of board jury in 4th Asian family health research award (January 2008-Tehran-Iran)

-Member of editorial board of journal of NAIGO from 2010 till now

-Assistant professor of Shahid Beheshti University of Medical Sciences from 2010
